

I'm Not Contagious

Chromeo

Don't stop, baby
Let the rhythm take your body
Don't stop, baby
Let the music take control

Don't stop, baby
Let the rhythm take your body
Don't stop, baby
Let the music take control

I look around
Recognize anybody
Did you see the girl from the grocery store
Did you make a sound
Did you catch her eye
Did you let her know that you want some more

I tell her, lady
Why do you always frown and act all jaded
Woohoo ah wooh
I'm not contagious
But I got the kind of loving that knocks you down

I tell her, lady
Why do you always frown and act all jaded
Woohoo ah wooh
I'm not contagious
But I got the kind of loving that knocks you down
Down, down, down, down

You're often found like you walked a mile
Just to be with that girl that you seen before
But she won't come down
And you're in denial
So you got the courage to show her what's in store

I tell her, lady
Why do you always frown and act all jaded
Woohoo ah wooh
I'm not contagious
But I got the kind of loving that knocks you down

I tell her, lady
Why do you always frown and act all jaded
Woohoo ah wooh
I'm not contagious
But I got the kind of loving that knocks you down
Down, down, down, down

Don't stop, baby
Let the rhythm take your body
Don't stop, baby
Let the music take control

Don't stop, baby
Let the rhythm take your body
Don't stop, baby

Let the music take control

You tell her, lady

Why do you always frown and act all jaded

Woohoo ah wooh

I'm not contagious

But I got the kind of loving that knocks you down

Down, down, down, down
