

I don't want to be with anybody at all.
I don't want to be seen with anybody at all.
The world is much too big for me to handle alone
But I don't want no friends, I want to stay on my own.

The planet's turning but I can't stand still.
The clock is ticking but I can't stop time.
And all I want is to be by myself.
Do you think that's a crime?

I don't want to be with anybody at all.
I don't want to be seen with anybody at all.
The world is much too big for me to handle alone
But I don't want no friends, I want to stay on my own.

The planet's turning but I can't stand still.
The clock is ticking but I can't stop time.
And all I want is to be by myself.
Do you think that's a crime?

I don't want to be with anybody at all.
