

# The Way That Leads To Nowhere

## Chronology

It's the land of nowhere  
Dark side of the Earth  
Strange horizons  
Endless desert

I walk on colourless fields  
With lifeless stones around  
Hopelessness in my heart  
Dark thoughts in my mind

God, which way I have to choose  
Pleas give me the answer  
God, give me something I can use  
Just send me a sign

I think of my home  
My childhood dreams  
Why did I leave them  
Now I can't explain
