

## Bloody Gaya Fulfilled

Chthonic

Festive day, celebrated by high-ranks  
Unaware of danger approaching  
Autumn winds starts  
Icy omen  
Seediq wrath gros, unjust oppression  
Clan brothers meet, plotting rebellion  
Colony flag flies  
Mocking beacon  
Sons of the Rmdax tasing  
Silenced voices, inner clamor  
Accumulations of crippling hate  
Impossible to forgive  
Dawn, greets the rising red sun  
Led by the Elder Rudao Mona  
Stealth, six clans united  
To slake their thirst for revenge  
Breaths cut off, as their heads fall  
Shades formed as shodows shorten  
Hunting knives hew down  
Harvesting deaths  
Woods shroud warrior attacks  
Gun smoke marks their hurried passing  
Breeze sweeps away sadness  
Clearing the road to fiery hell  
War Cries signaling the cleansing of enemies  
Headless bodies  
Litter the ground  
Wrath-filled eyes scoured  
Enemy base of former despots  
Arrogance tarnished  
Splattered by red  
Wushe shaken, red sun flags fallen  
Umbrage rises from dead comrades  
Opposing wind seethe  
Outraged, Provoked  
Seediq, with unbridled fury  
Blades stabbing holes, bleeding life  
Colony flag torn  
Broken beacon  
Sons of the Rmdax Tasing  
Dying gurgles glut their bloodlust  
Seasons of scorn and derision  
Freed by their actions
