□□□□□□□□□□□□□□□□

Field of battle, no graves  
Memories not meant to save  
Dawn of warfare, no tears  
Victory find me here

Soldier not a giant  
Standing tall, defiant  
Warrior of wisdom  
Sing our song of freedom

□□□□□□□□  
Silenced in a cage unseen  
□□□□□□□□  
Darkest shadows reign supreme  
□□□□□□□□

Warriors one and all  
The soldiers war call

I control the sands of time  
Freedom to defend what is mine

One day the tide will turn  
The Phoenix burns  
From the realm of worms  
Forever Phoenix burns  
Though the oceans may run dry  
The Phoenix never dies  
Though the mountains all may fall  
Phoenix burns throughout it all

Field of battle, no graves  
Memories not meant to save  
Dawn of warfare, no tears  
Victory find me here

Soldier not a giant

Standing tall, defiant  
Warrior of wisdom  
Sing our song of freedom

I control the sands of time  
Freedom to defend what is mine

One day the tide will turn  
The Phoenix burns  
From the realm of worms

Forever Phoenix burns  
Though the oceans may run dry  
The Phoenix never dies  
Though the mountains all may fall
