

Something May Catch Fire

Chuck Ragan

1, 2, 3, 4!

She said, "Lay down, we only have 'til midnight
To leave this town and wander far from home
But I don't know when again I'll have you
So rest your soul, and lighten your load"

We can do some damage, 'fore the hour's handed
Over to us baby, shake it up and maybe
Something may, something may catch fire

She said, "Lay down, we only have 'til midnight
'Til we break out, and cut our trails on our own
You wanna burn this town and leave a mark to remember
Where we came from, where we are, and how do we walk"

Take me into that wonderful rock
Come on, hit me with all that you've got
Let me hear your shout-outs to long-gones
The covers, the time always out

It ain't nothing, baby, it ain't nothing
It ain't nothing, baby, it ain't nothing
It ain't nothing but a good time alone

It ain't nothing, it ain't nothing
It ain't nothing, it ain't nothing
It ain't nothing, it ain't nothing
It ain't nothing, it ain't nothing, ooh
It ain't nothing but a good time alone, yeah
It ain't nothing but a good time alone
