

# Affection

## Cigarettes After Sex

1.

D                    A        Emi                    G  
I know that you say I get mean when I'm drinking,  
D                    A        Emi                    G  
But then again sometimes I get really sweet  
D                    A        Emi                    G  
So what does it mean if I tell you to go fuck yourself  
D                    A        Emi                    G  
Or if I say that you're beautiful to me

R:

D                    A  
It's affection always,  
Emi                    G  
You're gonna see it someday  
D                    A  
My attention for you  
Emi                    G  
Even if it's not what you need

2.

D                    A.        Emi                    G  
Sometimes we talk all night long, we don't shut up  
D                    A.        Emi.                    G  
& when it's late we'll say we're still wide awake so...  
D                    A        Emi                    G  
We love to talk about how you'll come up to visit me  
D.                    A        Emi.                    G  
& we'll rent a car & we'll drive upstate

R:

D                    A  
It's affection always,  
Emi                    G  
You're gonna see it someday  
D                    A  
My attention's on you  
Emi                    G  
Even if it's not what you need

D  
I think of you,  
A  
I want you too,  
Em                    G  
I'd fall for you

D                    A  
It's affection always...
