

# Comedienne

Cinerama

You know that I've had my suspicions all along  
Well would you be here now, if something wasn't wrong?  
Your heart broke, and you still joke  
Because you're such a comedienne  
But that creep made you weep  
Don't laugh it off again

Oh just forget the things he said  
And get into bed

He never loved you and deep down you know I'm right  
If you don't want to go back home just stay the night  
Oh I'm not joking  
Because you're the comedienne  
No I mean it, I've seen it  
And now I want to see you smile again

Oh just forget the things he said  
And get into bed

You want to leave him and you're looking for excuses  
That's why you're here, I guess us old friends have our uses  
But we could, oh we should  
Lie down here, you won't regret it  
Stay near me, do you hear me?  
Oh, I'm sincere, now come and get it

Oh just forget the things he said  
And get into bed
