

100 Steps

Circa Survive

Why's the pattern gotta change
We don't see life exactly the same
Always
What about a better place
I know I'm forgetful
My memory's erased
Always

There's always one hundred
Steps ahead
There's always one hundred
Steps ahead
Steps ahead

Why's the pattern gotta change?
We don't hear music exactly the same
Always
What about a better place
I'm know I'm forgetful
My memory's erased
Always

There's always one hundred
Steps ahead
There's always one hundred
Steps ahead
Steps ahead
