

Nesting Dolls

Circa Survive

You shouldn't stay, we'll never change
And I can't recognize you at all
Nothing's the same
It's all been arranged in a way
Keeping me out of it

I don't want to feel like this
Ever, ever, ever, ever, ever again
I don't want to feel like this
Ever, ever, ever, ever, ever again

When we were young and everything's magical
Then it all disappeared, I wasn't sure
But you were persistent and I was so drawn to it

I don't want to feel like this
Ever, ever, ever, ever, ever again
I don't want to feel like this
Ever, ever, ever, ever, ever again

You shouldn't stay, we'll never change
And I can't recognize you at all
