

See You At The Top

City Lights

I'll see you at the top
You can quote me on this one

Tell me something I don't already know
About how I'll never be good enough
Give me another reason to give up
I've worked too hard for this and I don't need you doubting me

You won't hear me wishing
That I did things different
I wouldn't change a single thing

I'll see you at the top
You can quote me on this one
Na na na na na na
I won't quit till I've got
The world in the palm of my hand
The palm of my hand

You say that I've been wasting all my time
Working for something that just doesn't exist
Just wait and see and I will prove you wrong
I set my mind to this and I won't stop until it's done

I've made my decision
So mind your own business
Your negative outlook's not part of the plan
I know you're frustrated
With my determination
I'm sorry I'm not gonna change
I'm doing what's best for me

I'll see you at the top
You can quote me on this one
Na na na na na na
I won't quit till I've got
The world in the palm of my hand
The palm of my hand

Go!

I'll see you at the top
I wouldn't change a single thing
I'm doing what's best for me

I'll see you at the top
You can quote me on this one

I'll see you at the top
You can quote me on this one
Na na na na na na
I won't quit till I've got
The world in the palm of my hand
The palm of my hand
