

Didn't Know When To Stop

Civil Twilight

How could I say what it is I want
What it is I want from this
How could I explain the things I do
The things I do for a kiss

I didn't know when to stop
I didn't know when to give it up
I didn't know when to stop myself
Could you help me now?

There was a truth that I never saw
That I never saw, come to light
There was a path that I walked away from
That I walked away from and out of sight

I didn't know when to stop
I didn't know when to give it up
I didn't know when to stop myself
Could you help me now?

I didn't know when to stop
I didn't know when to give it up
I didn't know when to stop myself
Could you help me now?

I didn't know when to stop
I didn't know when to give it up
I didn't know when to stop
