

How'm I Supposed to Die

Civil Twilight

How'm I supposed to die,
When there's only one way to live?
and the treasure in your eyes
you were never meant to give
and you were made to turn your back
what am I to say to that?

Where'm I supposed to lie,
if I can't lie with you?
And the flesh that used to tingle,
has turned a marble blue?
and you tell me that
we can never go back
what am I to say to that?
What am I to say to that?

There's only one thing left to do
there's only one thing left to do
there's only one thing left to do
there's only one thing left to do
there's only one thing left to do
there's only one thing left to do
there's only one thing left to do

How'm I supposed to die,
when there's only one way to live?

How'm I supposed to die,
How'm I supposed to die,
When there's only one way to live,
only one way to live?
