## **River Of Tears**

**Eric Clapton** 

С It's three miles to the river F That would carry me away, Dm And two miles to the dusty street G7 That I saw you on today. It's four miles to my lonely room Where I will hide my face, And about half a mile to the downtown bar That I ran from in disgrace. Am Lord, how long have I got to keep on running, D7 Seven hours, seven days or seven years? G All I know is, since you've been gone F I feel like I'm drowning in a river, С Drowning in a river of tears. Я Drowning in a river. Dm Feel like I'm drowning, G7 Drowning in a river. In three more days, I'll leave this town And disappear without a trace. A year from now, maybe settle down Where no one knows my face. I wish that I could hold you One more time to ease the pain, But my time's run out and I got to go, Got to run away again. Still I catch myself thinking, One day I'll find my way back here. You'll save me from drowning, Drowning in a river, Drowning in a river of tears. Drowning in a river. Feels like I'm drowning, Drowning in the river. Lord, how long must this go on? Drowning in a river, Drowning in a river of tears.
