Here You Come Again

Here you come again Just when I've begun to get myself together You waltz right in the door Just like you've done before And wrap my heart round your little finger

Here you come again Just when I'm about to make it work without you You look into my eyes And lie those pretty lies And pretty soon I'm wonderin how I came to doubt you

All you gotta do is smile that smile And there go all my defenses Just leave it up to you And in a little while You're messin up my mind And fillin up my senses

Here you come again Lookin better than a body has a right to And shakin me up so That all I really know Is here you come again And here I go... Here I go...

All you gotta do is smile that smile And there go all my defenses Just leave it up to you And in a little while You're messin up my mind And fillin up my senses

Here you come again Oh lookin better than a body has a right to And shakin me up so That all I really know Is here you come again And here I go... **Clay Aiken**
