

Run To Me

Clay Aiken

Don't, you don't have to save my life
No, you're not ready I can feel it
Outside its raining but I'll just go home
Someday your heart will just let him go

As soon as you get that feeling
You can start to live again
As soon as the worst is over
You can make it all make sense
Right now I can't give you want you need
As soon as you get that feeling
Run to me

Hush, you don't have to say a word
Trust, I'm not going to hate you for it
Feels like my touch only brings back the pain
Someday those memories will fade away

As soon as you get that feeling
You can start to live again
As soon as the worst is over
You can make it all make sense
Right now I can't give you want you need
As soon as you get that feeling
Run to me
