

Mama

Clean Bandit

Ooh mama, ooh la, ooh la, ooh la
Don't know what this is
Ooh mama, ooh la, ooh la, ooh la
Oh, I do, I do now

I see my body in a different light (Ay, ay, ay)
As if I woke up in a different life (Ay, ay, ay)
Feels like I'm walking with my heart on fire
Somebody pass me the water 'cause I'm burning

'Cause a little bit's turning into a lot
There's no way I'll be turning the feeling off
Guess I'm everything that I thought I was not
Tell me, tell me, ay, ay, ay

Ooh mama, ooh la, ooh la, ooh la
Don't know what this is
What do I do now, do now, do now
Do with all of this?

All of these new emotions
I let them out in the open
Ooh mama, ooh la, ooh la, ooh la
Oh, what do I do now?

I've never felt so good I feel so soft (Na, na, na)
And I know myself I know my spots (Na, na, na)
I didn't know that I could have these thoughts (Yeah, yeah)
Somebody pass me the water 'cause I'm burning

'Cause a little bit's turning into a lot
There's no way I'll be turning the feeling off
Guess I'm everything that I thought I was not
Tell me, tell me, ay, ay, ay

Ooh mama, ooh la, ooh la, ooh la
Don't know what this is
What do I do now, do now, do now
Do with all of this?

All of these new emotions
I let them out in the open
Ooh mama, ooh la, ooh la, ooh la
Oh, what do I do now?

Everything I thought I knew about me's upside down
Everything is changing but I think I love it now
Ay, ay, ay

Ooh mama, ooh la, ooh la, ooh la
Don't know what this is
What do I do now, do now, do now
Do with all of this?

All of these new emotions
I let them out in the open
Ooh mama, ooh la, ooh la, ooh la

Oh, what do I do now?

All of these new emotions
I let them out in the open
Ooh mama, ooh la, ooh la, ooh la
Oh, what do I do now?

All of these new emotions
I let them out in the open
Ooh mama, ooh la, ooh la, ooh la
Oh, what do I do now?
