

All for One

Cliff Richard

You've heard of those Three Musketeers
Immortalized by Alexander Dumas
Yeah, we've heard rumors

And Arthur and his Guinevere's adventures
At the Table Round at Camelot
Why yeah, so what

Call them square and oblong, acidly
Nevertheless it's true
That the Mavericks and Hop-along Cassidy's
Say the same thing, too

And what they say is gonna win the day
For me and thou and thee and also you

All for one, one for all
Let our voices unite for
All for one, one for all
Now we've something to fight for

There our foul may be the weather
We can face it if we stick together
If we stand side by side
Then there's nothing can beat us

March it forward with pride
There's no power can defeat us
Loud and clear as a trumpet calls
Sing all for one, and one for all

All for one, one for all
Let our voices unite for
All for one, one for all
We have something to fight for

There our foul may be the weather
We can face it if we stick together
If we stand side by side
Then there's no one can beat us

March it forward with pride
There's no power can defeat us
Loud and clear as a trumpet calls
Sing all for one, we're unbeatable
All for one, undefeatable
All for one, and one for all
