

Donna

Cliff Richard

Oh Donna
Oh Donna
Oh Donna
Oh Donna

I had a girl Donna was her name
Since she left me
Well I've never been the same
'Cause I love my girl
Donna where can you be

And now that you're gone
I'm left here all alone
All by myself to wander and roam
How I love my girl
Donna where can you be

Oh Donna
Now that you're gone
I don't know what to do
All my love and all my kisses
Were for you, you just you

I had a girl Donna was her name
Since she's been gone
I've never been the same
'Cause I love my girl
Donna where can you be

Oh Donna
Now that you're gone
I don't know what to do
All my love and all my kisses
Were for you

I had a girl Donna was her name
Since she's been gone
I've never been the same
I love my girl
Donna where, where can you be
Oh Donna, Oh Donna, Oh Donna, Oh Donna
