

Forever

Cliff Richard

Ooh...Forever and ever and ever and ever
Forever and ever and ever

Just because I love you so
'Cos my heart needs to know
You could ask for the world tonight
I'd even hand you the moon at night

Just because I love you so
I'd let everyone know
How I caught you the stars tonight
Let them all disappear tonight
Just because I love you
Just because I love you

I'll do anything you want me to
If you stay with me forever
Won't you stay with me for all time
You're the nearest thing to heaven I know, wow-wow
Stay with me forever and ever
'Cos I love you, 'cos I love you
Umm, umm, umm, umm
'Cos I love you, 'cos I love you

Ask for the world tonight
I'd give you anything tonight
Just because I love you
Just because I love you
Just because I love you

I'll do anything you want me to
If you'll stay with me forever
Won't you stay with me for all time
You're the nearest thing to heaven I know, wow-wow
Stay with me forever
Oh, won't you stay with me for ever and ever
Stay with me
Tell me that you'll stay
Oh, won't you stay with me always and ever
Stay with me
Oh, won't you stay
Oh, won't you stay with me for always and forever
Won't you stay, for always and forever
Won't you stay with me...
