

# I'm No Hero

Cliff Richard

I had a chance for glory  
Ooh, oh wouldn't tell you no lies  
Same end on another story  
I, I could have prophesied  
I, I'd lose the prize

I'm gonna raid the future  
Ooh, oh and I wanna know why  
Everything is so temporary  
Ooh, those I'll let you know eyes  
I, I should have realized

I'm no hero, I won't get the glory  
I'm the one who's left behind  
I'm no hero, no place in your story  
I'm the man who's left behind

I must have been blind  
Must have been

I needed understanding  
Ooh, oh you didn't sympathies  
Left me here, left without a warning  
Oh, you left me paralyzed  
I, I should have realized

I'm no hero, I won't get the glory  
I'm the one who's left behind  
I'm no hero, no place in your story  
I'm the man who's left behind

I must have been blind  
Must have been, oh, so blind ahh, blind

I'm no hero, I won't get the glory  
I'm the one who's left behind  
I'm no hero, no place in your story  
I'm the man who's left behind

I must have been blind, yeah  
Must have been blind  
Ooh, just must have been blind  
I must have been blind

Ooh, just must have been  
Just must have been blind  
I must have been blind, can't see  
Must have been blind

Just must have been blind  
Ooh just must have been  
Just must have been blind
