

# I Saw Her Standing There

Cliff Richard

Well, she was just 17,  
You know what I mean,  
And the way she looked  
Was way beyond compare.  
So how could I dance with another  
And I saw her standin' there.

Well she looked at me,  
And I, I could see  
That before too long  
I'd fall in love with her.  
She wouldn't dance with another  
And I saw her standin' there.

Well, my heart went boom,  
When I crossed that room,  
And I held her hand in mine...  
Oh, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
Now I'll never dance with another  
Since I saw her standing there

Since I saw her standing there...  
Since I saw her standing there...
