

## Mr Nice

Cliff Richard

What a beautiful way to think of a day  
If it turns out the way that I planned it  
And there's never a doubt as to what it's about  
If I love I can understand it

Dear Mr. Nice won't you think twice  
About the way I feel  
Dear Mr. Nice would it be nice  
To say that things aren't real

If I listen to you would you tell me its' true  
And not lie or pretend that you mean it  
If it's truth in your mind that is turning you blind  
Don't deny that your eyes have not seen it

Dear Mr. Nice won't you think twice  
About the way I feel  
Dear Mr. Nice would it be nice  
To say that things aren't real

What a beautiful way to think of a day  
If it turns out the way that I planned it  
And there's never a doubt as to what it's about  
If I love I can understand it
