Now we have been through the harvest Winter has truly begun Now we have walked in the chill of the night We are waiting for, waiting for For the Saviour's Day

Many have come from the valleys
Many have come from the hills
Many have started their journey home
To be with someone, with someone
On the Saviour's Day

Open your eyes on Saviour's Day Don't look back or turn away Life can be yours if you'll only stay He is calling you, calling you On the Saviour's Day

Joining the old and the young ones Joining the black and the white Meeting the need of the hungry is He Will we ever remember Him On the Saviour's Day

Open your eyes on Saviour's Day Don't look back or turn away Life can be yours if you'll only stay He is calling you, calling you On the Saviour's Day

Here's to the God of the present Here's to the God of the past Here's to the hope in the future He brings We will sing to Him, sing to Him

Open your eyes on Saviour's Day Don't look back or turn away Life can be yours if you'll only stay He is calling you, calling you

On the Saviour's Day On the Saviour's Day On the Saviour's Day He is calling you

On the Saviour's Day
On the Saviour's Day
On the Saviour's Day
On the Saviour's Day
Raise up your glasses
And drink to the king
On the Saviour's Day
