

# Shakin' All Over

Cliff Richard

When you move in right up close to me  
That's when I get the shakes all over me

Quivers down my backbone  
I got the shakes down my knee bone  
Yeah the tremors in my thigh bone  
Shakin' all over

Just the way that you say goodnight to me  
Brings that feelin' on inside of me

Quivers down the backbone  
I got the shivers down the thigh bone  
Yeah the tremors in my back bone  
Shakin' all over

Quivers down my backbone  
Yeah the shakes in my knee bone  
I got the tremors in my thigh bone  
Shakin' all over

Well, you make me shake and I like it, baby  
You make me shake and I like it, baby  
Well, shake, shake, shake  
Shake, shake  
Shake, shake, shake  
Shake, shake, shake
