

# The Best of Me

Cliff Richard

So many years gone  
Still I remember  
How did I ever let my heart believe  
In one who never gave enough to me

And so many years gone  
With love that was so wrong  
I can't forget the way it used to be  
And how you changed the taste of love for me

You were my one more chance  
I never thought I'd find  
You were the one moment  
I'll always have in my mind

No one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you

And we'll have no ending  
If we can hold on  
And I think I've come this far because of you  
Could be no other love but yours will do

You were my one more chance  
I never thought I'd find  
You were the one romance  
I'll always have in my mind

No one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you

No one will ever touch me more  
And I only hope that in return  
No matter how much we have to learn  
I might have saved the best of me for you

For you, I saved the best of me  
You were my one more chance  
You were the one romance

You were my one more chance  
You were the one romance  
You were my one more chance  
You were the one romance

You were my one more chance  
You were the one romance  
You were my one more chance
