

# Too Much

Cliff Richard

Well, honey I love you too much  
I need your lovin' too much  
When I want some loving, you're gone  
Don't you know you're treating your daddy wrong  
Now you got me started  
Don't you leave me broken-hearted  
'Cause I love you too much

I need your lovin' all the time  
I need you near me, say you'll be mine  
I need you near me, stay real close  
Oh, please, please, baby, hear me you're the most  
Now you got me started  
Don't you leave me broken-hearted  
'Cause I love you too much  
Too much, yeah

Well, I need your lovin' all the time  
I need you near me, said it  
I need you near me, stay real close  
Oh baby, please, please, hear me, you're the most  
Now you got me started  
Don't you leave me broken-hearted  
'Cause I love you too much

I need your lovin' too much  
When I want some loving, you're gone  
Baby, don't you know you're treating your daddy wrong  
I'd love to get you started even though I know  
I love you too much
