

We Kiss In A Shadow

Cliff Richard

We kiss in a shadow
We hide from the moon
Our meetings are few
And over too soon

We speak in a whisper
Afraid to be heard
When people are near
We speak not a word

Alone in our secret
Together we sigh
For one smiling day
To be free

To kiss in the sunlight
And say to the sky
Behold and believe what you see
Behold how my lover loves me

Alone in our secret
Together we sigh
For one smiling day
To be free

To kiss in the sunlight
And say to the sky
Behold and believe what you see
Behold how my lover loves me
Loves me, she loves me
