```
You don't know how much I love you
You don't know how much I care
You don't know how much I need you
Without you life I can't bear
You don't know, baby
You don't know, baby
You don't know, baby
No, you don't, you don't know
You don't know, baby
No, you don't
No, you can't
Know how I feel
The flame that you left is still burnin'
Burnin' down deep in my soul
When I think of you huggin' and kissin'
It's you I wanna hold
You don't know, baby
You don't know, baby
You don't know, baby
No, you don't, you don't know
You don't know, baby
No, you don't
No, you can't
Know how I feel
All my friends call me crazy
For acting the way that I do
But I just can't help myself
'Cause I'm still in love with you
You don't know, baby
You don't know, baby
You don't know, baby
No, you don't, you don't know
You don't know, baby
No, you don't
No, you can't
Know how I feel
No, you don't
No, you can't
Know how I feel
