

# Untanglin' My Mind

Clint Black

I guess you're glad to see I'm finally leaving  
I know things for you will change now for the good  
But it's all that I can do to pack my suitcase  
And walk away from you the way I should  
And I can't seem to find the voice of reason  
Everything seems upside down and right side wrong

While a part of me is here and won't like leaving  
The rest of me the best of me is gone  
And I'm sure no one will wonder where I've gone to  
But if anyone should ask from time to time  
Tell them that you finally drove me crazy  
And I'm somewhere untanglin' my mind

Well tell 'em I won't be riding I'll be walking  
'Cause I don't think a crazy man should drive  
Anyway the car belongs to you now  
Along with any part of me that's still alive  
But there's really not much left you could hold on to  
And if you did it wouldn't last here anyway  
It would head to where the rest of me rolled on to  
So even if I wanted to I couldn't stay

And I'm sure no one will wonder where I've gone to  
But if anyone should ask from time to time  
Tell them that you finally drove me crazy  
And I'm somewhere untanglin' my mind

And I'm somewhere untanglin' my mind
