

Then I Woke Up

Clique Girlz

I get into the car
Turn the radio up real far
To shut out the noise
So I can hear my voice

There's a party on down the street
But nobody invited me and I got a gig
Babysitting my uncle's kids
Why me, I just wanna see

[Chorus]
Don't you know that I'm a hip hop queen
A rock and roll dream it's all bling bling
I'm the star on the scene
Yeah, check me out see what I'm all about
I'm the one that you want the one you can't have
The girl that you call who doesn't ever call back
Just look at me I've got everything
But then I woke up

I was lying on the couch
Drool coming out my mouth
Turned on the TV
Dr. Phil won't you please fix me

I'm waiting for the phone to ring
Flipping through a magazine
Why doesn't he call
Guess I'm the loser down the hall
Why me, I just wanna see

[Chorus]

But then I woke up
I'm like living in a dream (I'm like living in a dream)
It's everything it's supposed to be (Supposed to be)
It's a holiday from me

It's all just kickin' in
And this is where I begin
Just being me
It's okay to be me

But it's gonna to be a a hip hop queen
A rock and roll dream it's all bling bling
Yeah, baby ka-ching
Come check me out
You know I'm bringin' down the house
I'm the one that you want you now I'm heaven sent
I'm a little skater boy and a little 50 Cent
Just look at me I've got everything

But then I woke up
(I'm a hip hop queen)
I woke up
(I'm a rock and roll dream)
I woke up, I woke up

Then I woke up
(It's all bling bling)
I woke up
(Yeah, baby ka-ching)
I'm like living in a dream
(I'm like living a dream)
It's everything it's supposed to be
