All I ask of You

No more talk of darkness Forget these wide-eyed fears I'm here, nothing can harm you My words will warm and calm you

Let me be your freedom Let daylight dry your tears I'm here, with you, beside you To guard you and to guide you

Then say you love me every waking moment Turn my head with talk of summertime Say you need me with you now and always Promise me that all you say is true That's all I ask of you

Let me be your shelter Let me be your light You're safe, no one will find you Your fears are far behind you

All I want is freedom A world with no more night And you, always beside me To hold me and to hide me

Say you'll share with me one love, one lifetime Say the word and I will follow you Share each day with me, each night, each morning Anywhere you go, let me go too Love me, love me, love me That's all I ask of you
