

## Burn

## Close To Home

So who knows?  
So who goes?  
You say it's alright  
So we'll sleep tonight.  
Your eyes lie  
Your lips dive  
You don't look alright  
You're about to cry

So could it be that we've been blessed?  
We made a choice, what happens next?  
I'm scared and I can't catch my breathe.  
My heart goes out for innocence.

We're just kids  
Some one's kids  
To young to decide  
To young to die  
Should I care?  
She's right there...  
No ring to decide...  
I could leave tonight...

So could it be that we've been blessed?  
We made a choice, what happens next?  
I'm scared and I can't catch my breathe.  
My heart goes out for innocence.

So who am I?  
And who are you?  
The burning questions...  
I'm so confused.
