

If Words Could Kill

Close To Home

I'm holding back these thoughts that cloud my mind.
Your words hold no weight but they'll be unending
Just like tonight
If words could kill I'd find the words to tell you how I feel
If the truth hurts I'd scream till your face turns to black and blue.

If words could kill I'd find the words to tell you how I feel
If the truth hurts I'd scream till your face turns to black and blue.

Sit back and take it in for way too long.
You turn to silence when things are wrong
hold me now, hold me back
I'm shaking off these tendencies
Of clinging so desperately to you
I'm making up for the lost time.

If words could kill I'd find the words to tell you how I feel
If the truth hurts I'd scream till your face fades to black and blue.

Never ask how he could do it.
When we have the same sickness.

Tears fill my eyes and I don't deserve this.
Look in my eyes tell me how could you do this?

If words could kill I'd find the words to tell you how I feel
If the truth hurts I'd scream till your face fades to black and blue.
