

# All for Metal

Cloudscape

Leaving home to entertain on stage'doing our passion  
People sing along and raising fists to show devotion for  
The metal  
We're on the road

Entering the tourbus'heading for a new destination  
All we want is rock the crowd  
Bring you lots of appreciation, all for metal

We're here to bring you our passion of our lives  
Because of you we're going on and on  
We're never gonna stop  
All of you united as one  
Together we are strong

All for metal  
All for metal  
You make our passion live forever  
All for metal  
All for metal

Every destination that we reach gives us excitement  
We are here to entertain and will feed you all with our  
Passion

Join the ride and raise your hands and feel the beat  
Inside you  
All for one and one for all  
Everyone is gathered now, all for metal

We're here to bring you our passion of our lives  
Because of you we're going on and on  
We're never gonna stop  
All of you united as one  
Together we are strong

all for metal  
All for metal  
You make our passion live forever  
All for metal  
All for metal  
You make our passion grow so strong

All for metal  
All for metal
