

Got It Bad

Clyde Carson

Setup, setup, setup the bed for two, two, two
Got it, got it, got it bad for you, you
(Shawdy, shawdy, shawdy)
Feelin' my, feelin' my, feelin' myself indeed, indeed, indeed
Got it, got it, got it bad for you, you
(Shawdy, shawdy, shawdy)

Runnin' around with my phone, just keep on ring, ring, ring
Sorry I'm late, but shit, just not leave, I'm late (just hold o
n)
Maybe I'll end up comin' just on time, time, time
Finally next to you, now let's unwind, unwind (here we go)

Setup, setup, setup the bed for two, two, two
Got it, got it, got it bad for you, you
Feelin' my, feelin' my, feelin' myself, indeed, indeed, indeed
(Shawdy, shawdy, shawdy)
Got it, got it, got it bad for you, you
(Shawdy, shawdy, shawdy)
