

## Lover Please

Clyde McPhatter

Lover please, please come back  
Don't take a train coming down the track  
Don't, please don't, don't leave me  
Don't leave me in misery

You would never hold me so near  
You would never call me "Dear"  
Don't you know I'd die for you?  
Now you're gone, that's what I'll do

All those stories, not too long  
About a love that went all wrong  
The girl left the boy, just as bad  
Now she's gone, she's so sad

You would never hold me so near  
You would never have called me "Dear"  
Don't you know I'd die for you?  
Now you're gone, that's what I'll do
