

Guilty Pleasure

Cobra Starship

And I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you

And I don't even know
what kind of fool you're taking me for
So you've got some brand new clothes
you never could afford before

Oh brother, spare us all
We don't care anymore
We just wanna get down on the floor
You sold yourself to make it
You can dish it but can you really take it?

(oh, oh, oh)
You're never gonna get it with nothing
'cause nothing's what you got in your head (oh)
So stop pretending

I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you
Shut up 'cause we won't stop
We're getting down 'til the sun's coming up
I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you
Shut up 'cause we won't stop
We're getting down 'til the sun's coming up

And I don't even read
what the papers gotta say about me
Oh, no, I can't believe
they take it so serious, seriously

I'm so bored, oh please
Don't talk anymore
Shut your mouth and get down on the floor
So cynical?
Poor baby
I can dish it 'cause I know how to take it

(oh, oh, oh)
You're never gonna win 'em all
So fuck 'em if they can't take a joke
I'm just playin'

I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you
Shut up 'cause we won't stop
We're getting down 'til the sun's coming up
I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you
Shut up 'cause we won't stop
We're getting down 'til the sun's coming up

And maybe someday I'll believe
(maybe someday I'll believe)
that we are all a part of some bigger plan

Tonight I just don't give a damn
(So shut your mouth it's time to dance)
If the world is ending, I'm throwing the party

And I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you
Shut up 'cause we won't stop
We're getting down 'til the sun's coming up
I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you
Shut up 'cause we won't stop
We're getting down 'til the sun's coming up
I came here to make you dance tonight
I don't care if I'm a guilty pleasure for you
Shut up 'cause we won't stop
We're getting down 'til the sun's coming up
