

It's Amateur Night at the Apollo Creed!

Cobra Starship

Here's a new idea
I've got news for you
There's no free rides tonight
If you're strapped for cash
I've got a job for you
My boots need shining, son
Sit down, shut up
Oh where do we begin?
The streets are full of anything you want
The city lies inviting you right in
Don't be afraid, don't be afraid
You can put your hands up
I love girls with Brooklyn haircuts
I'll be you're fanclub
Step, step
You're too slow
Speed it up
Here's your new position
There's no need for you
To wait in line tonight
Misshapes
What's up? Where's your dancing shoes?
The kiddies get it on
Sit down, shut up
Oh where do we begin?
The streets are full of anything you want
The city lies inviting you right in
Don't be afraid, don't be afraid
You can put your hands up
I love girls with Brooklyn haircuts
I'll be you're fanclub
Step, step
You're too slow
Speed it up
All you wanted, I got
Never give it up
Finish what you started
Step, step
You're too slow
Speed it up
You can put your hands up
I love girls with Brooklyn haircuts
I'll be you're fanclub
Step, step
You're too slow
Speed it up
