

# Snakes On A Plane (Bring It)

Cobra Starship

Times are strange  
We've got a free upgrade  
For snakes on a plane  
Fuck 'em, I don't care  
Pop the cheap champagne  
We're going down in flames, hey

Oh! I'm ready for it  
Come on, bring it!  
(4x)

So kiss me goodbye  
Honey, I'm gonna make it out alive  
So kiss me goodbye  
I can see the venom in your eyes  
Goodbye

It's time to fly  
Tonight the sky's alive  
With lizards serpentine  
Lounging in their suits and ties  
Watch the whore's parade  
For the price of fame, hey

Oh! I'm ready for it  
Come on, bring it!  
(4x)

So kiss me goodbye  
Honey, I'm gonna make it out alive  
So kiss me goodbye  
I can see the venom in your eyes

So kiss me goodbye  
Honey, I'm gonna make it out alive  
So kiss me goodbye  
I can see the venom in your eyes  
Goodbye

Ladies and gentlemen,  
These snakes is slitherin'  
With dollar signs in they eyes  
With tongues so reptilians  
This industry's venomous  
With cold-blooded sentiments  
No need for nervousness  
It's just a little turbulence

So kiss me goodbye  
Honey, I'm gonna make it out alive  
So kiss me goodbye  
I can see the venom in your eyes

So kiss me goodbye  
Honey, I'm gonna make it out alive  
So kiss me goodbye  
I can see the venom in your eyes

Goodbye

Oh! I'm ready for it  
Come on, bring it!  
(4x)

We seem to be losing altitude at an alarming pace  
From midtown to downtown  
Snakes on a blog  
I suggest you grab your ankles and kiss your ass goodbye
