

Someone like you

Cockney Rejects

Gotta kicking from me brother
Had a row with me mother
I'm in trouble everyday
Everybody hates me
I'm the only one who rates me
I don't care anyway
Ain't been to work since I left school
Cos I don't wanna go
Get up at seven, get home at five
I just don't want to know

Cos I don't wanna be, I can't stand to be
I don't wanna be
Someone like you
I don't wanna be, I couldn't stand to be
I don't wanna be
Someone like you

I don't wanna feel sorry for myself
It's a thing I don't wanna do
So piss off and have a go
At someone else
Or I'll end up killing you
Most people say that I'm lazy
But I sure ain't no slob
I just wanna wait, gonna bide my time
Gonna wait for the perfect job
