(Tell me, tell me)  
(Tell me, tell me)

Don't even have to ask me  
I know you running, yeah yeah  
Couldn't even put it past me  
I'm thinking of it, yeah yeah  
Stay a while, drink it down  
You know you love it when I say  
Don't go

You know, you know, you know and I know  
We overdose, they say we too close  
We do, we don't, wonder where it goes  
We just float, yeah  
You know, you know, you know and I know  
We overdose, they say we too close  
We do, we don't, wonder where it goes  
We just float

This ain't Instagram  
Picture perfect don't fool me  
You make me who I am  
This is how I know it should be  
Stay a while, drink it down  
You know you love it when I say  
Don't go, yeah

You know, you know, you know and I know  
We overdose, they say we too close  
We do, we don't, wonder where it goes  
We just float, yeah  
You know, you know, you know and I know  
We overdose, they say we too close  
We do, we don't, wonder where it goes  
We just float

Flow bae  
Oh you know you know, know know  
Yeah yeah, ah ah  
Flow it, baby  
Oh you know you know, know know  
Uh huh  
Flow it bae bea bea bea  
Bae bea bea bea

Oh you know, you know, know know  
Ah you know, you know

You know, you know, you know and I know  
We overdose, they say we too close  
We do, we don't, wonder where it goes  
We just float, yeah  
You know, you know, you know and I know  
We overdose, they say we too close  
We do, we don't, wonder where it goes  
We just float
