

# Good To Be Home

Coco Jones

with reverence i enter into this holy place  
a home that's like no other, full of mercy love and grace  
and though it's been a long time  
i've never felt that far  
'cause you were always on my mind  
you were always in my heart  
chorus:so good to be home where i know that i belong  
inside this house of love with a family so strong  
and i'm here to worship and pour out my offering  
in the presence of this love i'm never alone, so good to be home  
e  
i know i'm always welcome into these open arms  
when all of us are gathered we shine a light into the dark  
this home is where my heart is and it's always been that way  
'cause you're forever by my side and i know i'm here to stay  
chorus  
and by faith we believe and proclaim our deepest love to give o  
ur everything, everything to a power beyond us  
and when it's cold outside, it's always warm right here  
yeah so good to be home  
chorus  
home, home, home sweet home  
home, home, home sweet home
