

Miracle

CocoRosie

I met a boy, he wore a seatbelt
He kissed my cheek in the back seat
We played basketball and his girl cousins
Played too in Germaine

I'll be your girl
I'll be your boy

But Victor he was my first man
He didn't have any money
So I paid for his movie
Viva lost childhood

Be my boy forever
And I'll be your girl

I'll be your girl
I'll be your boy
