

When he pushes away
Like he's gonna have to make me
He gladdens

When he pushes away
Like he's gonna have to make me
He gladdens

Oh, please, please
When he pushes away
Like he's gonna have to make me
Hehe, hehe, hehe

It's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from him

It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from him

Oh, please, please
It's so good to have a man
It's so good to have him, check him out
At night

Oh, please, please
It's so good to have a man
It's so good to have him, check him out

When he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from him

It's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from him

When he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from him

It's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from him

Oh, please, please
When he pushes her back
Like he's gonna have to make me
Please, please

It's so good to have a man
It's so good to have him, check him out
My love
