

(I'm in love with hers)  
Our room, a hot and big and kick and burn our group  
Attack our tacky home  
(I'm in the lights with him)  
I feel I'm cheating when I sing shudder  
And can I and mourn and tis an arm for us  
(I'm at home in the lance)  
I feel I've been  
(Ferdinand and was sad a lot in her house)  
(Falling over hers)  
Feed me you've pretended if I were you  
To fall for her for little Ferdinand fast kettle  
(Ferdinand and was sad a lot in her house)  
For good for better Fred is dead will flee ill feef  
Aloof from waft a coffee effort  
(I'm at home in lance)  
Falled on yanks  
(Ferdinand and was sad a lot in her house)

Forty feet  
Forty Franks  
Fish fate  
Fiss fate  
Clean fish  
Formidable (6x)  
(2x)

(And) I've looked  
And it in no one
