

Mercy

Code Orange Kids

I will find the mercy in you
To do the things I have to do
I've seen the things I have to see
To become the man I need to be
So I create a world where I can survive
And you wanna talk about repercussions?
As the enemy in everyone
We cleanse ourselves of everlong

I am finally alive
I have swallowed the sun
The machine is one
With the cog

We are taught to pity and pry from the cradle
I will find the mercy in me
Kill, kill

Kill

Kill the way I used to think

I am finally alone
I am finally alive
I am king
