

Chain Drinkin'

Cody Johnson

We're just chain drinkin'
Slowly sinkin' in Buds and the suds and the tone deaf singin'
Getting hillbilly high, we've gotta little swerve in our stride
Yeah, we're chain drinkin', bar leanin', chug-lug-lugin'
Long as old Joe's slinging those beers on ice
'Til that well runs dry, we'll be chain drinkin'

Some folks need a lot of nicotine to get their rocks off
Some folks need a bag of wacky weed to get high
If you've got a short trigger, that old corn liquor shouldn't be your vice
Ah but our addiction isn't causin' much friction tonight

We're just chain drinkin'
Slowly sinkin' in Buds and the suds and the tone deaf singin'
Getting hillbilly high, we've gotta little swerve in our stride
Yeah, we're chain drinkin', bar leanin', chug-lug-lugin'
Long as old Joe's slinging those beers on ice
'Til that well runs dry, we'll be chain drinkin'

Two for one times seven adds up to a big ole buzz
Livin' it up 12 ounces at a time
As long as they're cold, no we don't care what they got on tap
Keepin' 'em cool ain't hard to do when you're knockin' 'em back to back

We're just chain drinkin'
Slowly sinkin' in Buds and the suds and the tone deaf singin'
Getting hillbilly high, we've gotta little swerve in our stride
Yeah, we're chain drinkin', bar leanin', chug-lug-lugin'
Long as old Joe's slinging those beers on ice
'Til that well runs dry, we'll be chain drinkin'

Yeah, we're just chain drinkin'
Slowly sinkin' in Buds and the suds and the tone deaf singin'
Getting hillbilly high, we've gotta little swerve in our stride
Yeah, we're chain drinkin', bar leanin', chug-lug-lugin'
Long as old Joe's slinging those beers on ice
'Til that well runs dry, we'll be chain drinkin'

We're just chain drinkin'
