

## Pretend

Cody Johnson

Be like me tellin' you that the sun doesn't shine every time th  
at it rains,  
And that the moon doesn't come out at night 'til the sun comes  
back again,  
And like me tellin' you that a cowboy has never rode across the  
plains,  
Is about the same as me tellin' you that my heart's not filled  
with pain...

[Chorus:]

So maybe I should just pretend that you never touched my hand,  
Then maybe I wouldn't feel like there's no reason to live again  
,  
Maybe I shouldn't have turned around, and drove this car back a  
cross town,  
Knowin' I'm the one thing you don't wanna see...  
It would all make sense if I could pretend  
That you never loved me...

Be like me tellin' you that the desert isn't covered in sand,  
And the way I feel in my heart for you fit into God's plan,  
And like me tellin you that the star down in Texas ain't standi  
n' alone,  
And the four walls of this empty house make me feel right at ho  
me...

[Chorus]

It'd be like me tellin' you that I'm not the kind to ever make-  
believe,  
But when I opened my eyes this mornin', you were still there ly  
in' right next to me...

[Chorus]

Me... yea... I wished you never loved me  
I wished you never loved me... yea.
