

There's You

Cody Johnson

Somewhere, there's a woman whose been cheated
Somewhere, there's a woman done wrong
Somewhere, there's a woman with nothing to lose
Then lying next to me there's you

Somewhere, there's a broken home with nothing to show
Somewhere, there's no I love you's
Somewhere, someone is leaving
And then lying next to me there's you

There is a woman with a love so true
That no man in his right mind could refuse
Oh, there is a woman that makes me believe
I thank God that woman is you

Somewhere, there's a woman who's lonely
Somewhere, there's a man that's so rude
Somewhere, there's words left unspoken
And then lying next to me there's you

Whoa, there is a woman with a love so true
That no man in his right mind could refuse
Oh, there is a woman that makes me believe
I thank God that woman is you
I thank God that woman is you
